Children's Camp Committee

Dear Prospective Counselor:

Thank you for expressing an interest in being a Counselor for Children's Camp of the West Virginia Blackhills Free Methodist Camp. God as richly blessed our Camps in the past with the awesome presence of the Holy Spirit. Because it is such a rewarding experience for the campers and counselors, we had had many people express their interest in being a Camp Counselor. Unfortunately, there are only a limited number of positions. In an effort to be fair, we have devised a Camp Counselor application that we would like for you to complete and return. The Camp Counselor Committee will prayerfully and objectively consider all application.

It is a rather difficult process choosing counselors, especially when so many desire to be a counselor. In this regard, the committee earnestly asks that you pray for them in choosing the right counselors for the upcoming camp. This is God's camp where He does His work and we all only want what He wants.

Please complete the attached application and return it as soon as possible. You will be notified of our selections.

Thank you again for your interest.
